A bear day at the fair

PINK LEMONADE · FLAVORED COFFEE · HOT CHOCOLATE · CAPPUCCINO

by Donna Cooper

**Bring plenty of money
we're going to the Fair!**

We'll buy admission tickets,

First we'll visit the other bears.

Then do a little cow study,

and watch the baby chickens hatch.

There will be a horses to ride,

a Camel too,

and a Giraffe.

**Then we'll take a rest
in the clown's lap.**

We'll eat melting cotton candy,

study a little history, and

see the latest tools for farming.

**Let's get a seat for the circus
in the front row.**

Even watch a puppet show,

but, don't let those puppets get too close!

After a rest on a prize winning porch,

we'll go to the amusement park!

Ride the merry-go-round,

and fly through the air,

even try out the hammock chair.

After a snow cone,

we'll play some games,

see if we can win anything!

Maybe we'll go on a scary ride,

one that spins real fast,

or goes real high.

We will have some fun with the silly mirrors.

**And when we're feeling
sore and tired.**

we'll go home for a bath,

and happily retire!

Work in progress.
